Classting Class Translation User Guide [English]

The following is a guide to using the Classting Class translation function for seamless home connection between schools in Gyeongsangbuk-do and multicultural families. Schools ask parents of multicultural families to cooperate so that they can set things up smoothly.

1. Download the Classting app and enter the class

- Search for 'Classting' in Google Play for Samsung, LG, etc. (Andriod) smartphones, or in the App Store for Apple (iOS) smartphones and install the app.
- Please proceed with membership registration according to the teacher's instructions. (students, parents)
- Please enter our class by receiving a 6-digit class code or class link from the teacher.

2. Change language in profile settings

- After logging in, click the [더보기] tab at the bottom and click the settings (gear wheel) icon at the top right.
- Click the [내정보] menu in Personal Information.
- Scroll down and set the language corresponding to your native language in the language section.

3. Check translated text
